

# **Support Clarendon Children's Centre through the Co-Op Community Fund!**

**Clarendon Children's Centre has been selected to benefit from a share in the local Co-Op Community Fund!**

**Each year the Co-Op chooses organisations and good causes from local communities to benefit from a share in their Community Fund. The community fund is made up of 1% of the spend of Co-Op members and is donated by the supermarket.**

How to support Clarendon Children's Centre-

- If you ever shop in the Co-Op, register as a member (this costs £1) and you will be given a temporary card. The Co-Op will then send you a plastic member's card in the post.
- Register on the Co-Op member's website.
- Choose Clarendon Children's Centre as your 'good cause' and then 1% of all you spend at the Co-Op in the next year will be added to our total!
- We need as many people as possible to support us by choosing us as their 'local good cause' - so please encourage friends, neighbours and families to become members and choose us too.
- As soon as you have nominated us - the more you shop at the Co-Op, the more Clarendon Children's Centre will benefit!
- Your local Co-Op is in Ashford, but once you have registered and nominated us, you can use your card when shopping at any Co-Op nationwide.
- This doesn't cost you anything – the Co-Op makes the 1% donation to us.

## **Thank you for your support!!**

***If we raise enough money we would like to re-furbish our kitchen area so we can continue to offer cooking sessions for families and serve tea and coffee at some of our sessions!***
