

To have a positive relationship within the community.

To promote understanding respect and acceptance for everyone.

To reach out, identify and support our families within our Community.

To work in line with Every Child Matters.

To provide a happy, secure and stimulating environment where children and adults feel valued.

To support children and adults to achieve their full potential in all aspects of life.

To build confidence to make independent and informed choices.

# "Supporting Families in our Community"

## A Sure Start Children's Centre

To promote in both children and adults an enthusiasm for life- long learning.

To have high but achievable expectations of every individual.
